

FY15 Probation Automation Coordinating Committee Update

June 1, 2017

Commission on Technology

JUVENILE ON-LINE

JOLTS

az

TRACKING SYSTEM

Juvenile Probation

Major Accomplishments in FY17

- ✓ 8 counties have now been converted from JOLTS to JOLTSaz, representing 80% of the juveniles, 84% of the complaints, and 80% of the petitions
- ✓ Implemented JOLTSaz Winter Build, addressing high priority change requests that greatly benefit users
- ✓ Continued to develop and deploy SSRS reports in JOLTSaz and outside the application, both statewide and county-specific

Juvenile Probation

Major Accomplishments in FY17

- ✓ Continued to roll out CASAaz web-based application for CASA coordinators and volunteers
- ✓ Implemented Phase II of CASAaz, providing a more effective and efficient tool for victim advocates
- ✓ Upgraded AZYAS with the Detention Screening Instrument (DSI), a new assessment tool for Maricopa, Pima, and the rural counties

Juvenile Probation

Plans for FY18

- ✓ Remaining counties scheduled for JOLTSaz are Graham, Greenlee, Pinal, Coconino, Apache, and Navajo
- ✓ Work is underway to establish a data feed from Maricopa iCIS to JOLTSaz
- ✓ Following the rollout, work will resume building DCATS functionality in JOLTSaz
- ✓ Remaining counties scheduled for CASAaz are Greenlee, Apache, Navajo, and Yavapai

APETS

ADULT PROBATION ENTERPRISE TRACKING SYSTEM

Adult Probation

Major Accomplishments in FY17

- ✓ Implemented new, standards-compliant interface which allows drug testing vendors to submit client test results to APETS via XML messages to web service instead of flat files via the FTP server
- ✓ Created results certification process to allow drug testing vendors to perform self-testing until the expected results are received and vendor becomes certified

Adult Probation

Major Accomplishments in FY17

- ✓ Implemented Probation Tails functionality in APETS
- ✓ Updated the APETS query, a service that extracts probation data and returns it to JWI users
- ✓ Completed JWI CPSR Phase II, covering deported probationers for Pima and the rural counties and intensive probationers for all counties statewide

Adult Probation Plans for FY18

- ✓ Complete the first build of the C# upgrade project to convert the APETS PowerBuilder application to C#
- ✓ Address critical PowerBuilder enhancements that cannot wait for the C# upgrade
- ✓ Integrate additional criminal history information into all JWI applications statewide

Maricopa County

Major Accomplishments in FY17

- ✓ Deployed iPhones to all badged staff, supervisors, and managers
- ✓ Automated local monthly stats, removing a large burden on staff for information
- ✓ Developed and deployed an electronic presentence report completed in the court's case management system, iCISng, and delivered electronically
- ✓ Began development of an automated probation violation and combination report
- ✓ Began development of automated court forms such as the memo, early termination, expiration, petition to modify, criminal restitution order, etc

Maricopa County

Plans for FY18

- ✓ Complete the automation of all court reports and forms
- ✓ Provide an automated notification system, such as by text, to pretrial defendants regarding upcoming court dates
- ✓ Explore a mobile application for probation officers in the field to access essential client information

Pima County Juvenile Court

*Positive Change
Successful Youth*

Pima County – Juvenile Probation

Major Accomplishments in FY17

- ✓ Completed roll out of Justice Tools, the principle case management system for POs, which includes case notes, graduated responses, case plans and assessments
- ✓ Launched placement staffing form and placement management screen in Justice Tools
- ✓ Upgraded Verizon flip phones to T-Mobile Samsung Galaxy J7 smart phones
- ✓ Purchased Surface Pros for probation officers to provide mobility

Pima County – Juvenile Probation Plans for FY18

- ✓ Working with Justice Tools to incorporate the Detention Screening Instrument
- ✓ Developing a complete set of reports from Justice Tools
- ✓ Developing a complete set of program referrals with tracking in Justice Tools
- ✓ Expanding the capability for more advanced data analysis for Justice Tools, AZYAS, and JOLTSaz data

PIMA COUNTY ADULT PROBATION

Pima County – Adult Probation

Major Accomplishments in FY17

- ✓ Upgraded Verizon flip phones to T-Mobile Samsung Galaxy J7 smart phones
- ✓ Switched AP's U.S. Marshal's Absconder Team from GoGlobal to VPN technology
- ✓ Reduced folder sizes for AP users using Disk Space Analysis Report
- ✓ Purchased and installed two Smart Boards for East and South LEARN labs

Pima County – Adult Probation Plans for FY18

- ✓ Adopt APETS-generated conditions of probation
- ✓ Switch over from Intoximeters, Inc to BACtrack devices for breathalyzer and GPS monitoring
- ✓ Review RightFax compatibility
- ✓ Upgrade to newer desktop computers
- ✓ Purchase laptops for Court Services and Field Services units

That's all Folks!
